United States Magistrate Judge
Southern District of New York
500 Pearl Street
New York, New York 10007

Re: Rhee-Karn v. Lask, Case No.: 15-cv-9946

Dear Magistrate Lehrburger:

Thank you for granting my prior request for an extension to August 2, 2025, to file the motion for reconsideration. Unfortunately, although I believed I was recovering yesterday, I experienced a significant relapse last night of heavy sweating and other things that left me unable to rest or work effectively.

Accordingly, I respectfully request a brief additional extension to Monday, August 4, 2025, to allow me to complete the submission over the weekend. I do not anticipate the filing will be lengthy, and as the intervening days fall over a weekend, this brief extension would cause no prejudice to any party.

I appreciate the Court's consideration and apologize for the inconvenience. I remain committed to submitting the motion promptly by Monday.

On another note, a motion was filed a few days ago by Plaintiff. I ask the court to please await my response that should be by next week as well.

Very truly yours,
